Dear Miss Goodwin

Thank you
so much for your kind
letter and for sending
me a copy of this
wonderful "Mother and
Child."

This is a most
beautiful book which
I shall always treasure.
It seems to me as much
a piece of Americana
as the book "The Country
of the Pointed Ties" by
Sara Orne Jewett.

I know a great many
young mothers who
will, I am sure, be
most interested in seeing
this book & you can
be sure I shall share
it with them.

Thanking you once
more,

Yours sincerely,
(Miss) M. H. Murdoch

She evidently thought the book was a
gift in spite of price given her - May be
because of the Dorr Foundation statement
facing the title page "offers this gift"
