Dear Mr. Leedom:

To date we have not received a signed release from Mrs. Dorr for her photographs which are currently being shown here in the exhibition "The Family of Man".

The Museum is planning to publish two books about the exhibition in which every photograph will be reproduced. We are most anxious to include Mrs. Dorr's photographs in these two editions, which are going to press very shortly.

Would you be so kind as to forward to Mrs. Dorr the enclosed release form?

Thank you for your kind cooperation.

Sincerely yours,

Kathleen Haven
