Dr. Minoru Nomura
152 Pinuta Setagada
Tokyo, Japan

Dear Dr. Nomura:

Erica Anderson - who is a close friend of mine - has told me about you and the work you are doing on her book on Albert Schweitzer.

She suggested that I get in touch with you and send you a copy of my book "Mother and Child". Sponsored by the Dorr Foundation, the book has been distributed around the world through the United States Information Agency and other international organizations as a message of friendship to mothers in foreign lands.

Erica felt that the book - if translated into your language - would find warm appreciation by your people. It is therefore I dare to send you a copy of my book under separate cover and I would be grateful for your opinion after you have seen it.

I should also like to know, should you agree with Erica on its possible distribution in your country, whether you would be willing to undertake the translation of the book.

I shall look forward to hearing from you.

Believe me, Sincerely,
