Norwalk Hospital Volunteers
Norwalk Hospital
Norwalk, Connecticut

Dear Friends:

Some months ago The Dorr Foundation through the intervention of Dr. Dorr placed some copies of "Mother and Child" by Nell Dorr in your hands on a consignment basis.

Have you been able to sell any of these? If you need additional copies, please let us know. As you know, you are to retain one-third of the retail price of $4.50, or $1.50, for your help in selling the books.

If we can help you in any way, please let us know.

Very truly yours,

Eugene S. Troy
Asst. to Dr. Dorr
