Dr. Dorr

Today I called Mrs. Ada Booth, Director of Volunteers, Norwalk Hospital, TEmpLe 8-8411, regarding sales of "Mother and Child" at the Hospital. To date they have not sold any, she said. She said that everyone thought it was a wonderful book of photographs but most expressed the feeling that they could afford \$2.50 for such a book but not \$4.50. She is trying to sell the book, however, both from her office and from The Corner Shop.
