Dear Miss Goodwin,

It was very kind of you to send me so promptly a copy of Mrs. Dorr's book "Mother and Child". Will you also please convey my sincere thanks to Mrs. Dorr for the very nice dedication which she has placed in the book.

I have gone through the book with great interest, and the photographs are most appealing.

The end of this week I am off for a two month's trip into the Middle East and Africa. When I return I hope very much to have the privilege of meeting Mrs. Dorr. Should Mrs. Dorr be traveling abroad in any of the countries in which we work in the future, she might be interested in photographing some of the youngsters who come in contact with the UNICEF-assisted programmes in about 105 countries and territories.

With kindest regards,

Sincerely yours,

Maurice Pate
