Dear Mr. Barr,

I have your letter of Oct. 2nd
before me on my desk + I see that almost
a month has passed since you wrote it
announcing the arrival within a few days of
your brother + also of Mr. Hedefine. I'm sorry
that we haven't had any news or signs from
them, however I hope their visit to Rome has
only been postponed. In any case my husband
+ I are looking forward to the pleasure
of making their acquaintance - I think I told
you in a letter last summer that our
telephone number is 848170, my husband's office
number however has been changed to 866 394 -

I have good news from my brother
Hector, I hope to go over to visit him next
summer. If my plan materializes I hope to
meet you again. It would be a great

pleasure -

Very Sincerely yours,

Margot Patriarca
