Miss Arcangela Patrisi
Via Bertoloni
Rome, Italy

Dear Miss Patrisi:

Iwish to apologize for Mrs. Dorr's delay in answering your letter of the 11th of August.

It gives me great pleasure in her name as well as the name of the Dorr Foundation to send you a copy of her book " Mother & Child ". The book has been used by the foundation to send messages to the mothers of all nations to help the realization of their essential unity.

My wife and I have been hoping to come to Italy this fall. If we should we should take great pleasure in seeing you at Madame Patriaces' house.

We both feel that if the world could look at the really important things in life there would be no possibility of war and the problems that disturb a world that is still very immature.

Sincerely yours,

J. V. N. Dorr
