Copy of longhand note written by Mr. Dorr to Mrs. Donald Perkins, Godfrey Road, Westport, Conn. which was sent with a book and a bill on 6-8-55.

My dear Mrs. Don Perkins:

It was a pleasure to meet you. On the chance I may be able to interest you a bit later in the Senior League project of Dorr Foundation, I am mailing you a book and bill of another of its projects, "Mother and Child". I know no better way to test anyone than by sending something they have not asked for "collect" so if you don't like it, I will buy you the drinks when you return it.

Mary told me this morning what a wonderful person you were, which I had already suspected.

It was a good party at Urana's.

Sincerely,

/s/ J. V. N. Dorr

6-7-55.
