Dear Mr. Dorr,

We came in due receipt of your very nice letter for which we want to express our very particular gratitude.

As the copyright of the marvellous photographs of Mrs. Dorr has still to be settled, we might ask you to let us have the invoice as soon as possible.

As to the copies of the Photorama issue in question, we forwarded 100 copies each in Dutch, German and French. The English edition was alas nearly exhausted so that we could only send you the remaining 24 copies. We are glad to be able to do you this pleasure. We are convinced the distribution our magazine will enjoy through your good offices will serve its diffusion and propagation.

We are also very happy to learn about the success your book is meeting with !

With respectful regards to Mrs. Dorr and the best wishes for your valuable work, we remain, Dear Mr. Dorr,

yours truly,
P h o t o r a m a

PS. Mr. Van Deuren thanks very much for the affecting letter he received from Mrs. N. Dorr and will write her unceasingly.
