Dear Mr. Dorr:

In the absence of Dr. Poling, I wish to acknowledge your kind letter of September 8th.

The book, MOTHER AND CHILD, has been received and I am placing it on Dr. Poling's desk to await his return. I know he will enjoy it and will hope to review it. However, as I am sure you will understand, shortage of editorial space prevents us from reviewing many worthwhile volumes.

Sincerely,

Helen M. Copeley
