Dear Mrs. Racine -

We were very pleased & receive your order for 4 copies of "Mother and Child" and they will go forward & you at once. The price is as you stated $4.50 per copy and your check for $21.00 covers the cost of mailing.

It is a continuing source of gratification & all of us at the Foundation to watch the widening of the circle of "appreciators" of the book. The demand does not slacken and while Harpers has exhausted their supply we have copies available & the public at our office.

Book post is slow so do not worry if the packet seems late in reaching you.

~~Thank you for your interest~~

Very Sincerely
