Gentlemen:

I should like to order 4 copies of

"Mother and Child" by Nell Dorr

These are for gifts.

My copy of the book shows the price \$4.50 each. Therefore, I am enclosing \$21.00 by check, which I believe should pay for the mailing and miscellaneous. If not, I shall be glad to send you more. If you have this book in stock, please mail to 4 copies to this address. Thank you.

Sincerely
