Dear Dr. Boer,

Thank you so much for your kind letter and the beautiful book "Nuba and Chota". I shall value it always, for it represents a depth of feeling that makes an immediate appeal to the heart. Please convey my grateful thanks to Mrs Boer. The Hospital I regret I do not know her husband is in Accra. I hear about him in India. I am sure I have your Bhoota, and I am so, however, know she and her husband will be able to give the good advice for.

It was a great pleasure to meet you in Princeton, and my only regret is that our visit was so short.

Thanking you again and with kind regards.

Yours sincerely,
Saraswathi Rama Rao
