Mr. and Mrs. P. Reimels
264 Mt. Pleasant Avenue
Wallington, New Jersey

Dear Mr. and Mrs. Reimels:

I am sending you under separate cover a book of my wife's that I somehow think you will like.

I want to thank you for your kindness to Mr. Baker and myself on our short visit. It is possible that within the next week there may drop in on you Mr. and Mrs. Richard Weller from England who are interested in studying various agricultural methods and ways of life.

With much appreciation,

Sincerely,

John V. N. Dorr
