My dear Dr. Dore,

Thank you for your kind note. "Keanthune" Hobber and Child "arrived" and we are both deeply impressed by it - it is a piece of art.

As soon as the stream of visitors from Europe abates a little, I intend to give you a call to see whether we can agree on a mutually acceptable lunch date, to hold "both sides of the water."

We are both grateful for having had the opportunity to meet you and I sincerely hope we can get together soon.

Sincerely
L. M. Reuvers
