Dear Mrs. Everhard,

Thank you very much for your letter of October 9 and the glossy print of the photo by Mrs. Dorr. Meanwhile we also received the book "Mother and Child" which we find very interesting. The pictures show so much tenderness; one should not think a camera capable of <sup>creating</sup> such dreamlike contours. In case we should find another opportunity to use one of the photos you would hear from us at once.

As to the reproduction fee: We are very grateful for your consideration in this matter. We shall transfer to you the amount of \$ 15.00 (= DM 63.-) hoping that you will agree to this arrangement. As I told you this is more than we should pay here, and we are sorry that it does not mean so much to you.

With many thanks for your cooperation

very sincerely yours,
