Dear Miss Piets:

Your letter of September 17th addressed to Mrs. Nell Dorr came to my attention, in her absence.

I have meanwhile been able to inform her about your request and she told me she will be happy to make a print of the photograph you mention available for reproduction in a book to be presented at Christmas to the personnel of a firm in Germany. Mrs. Dorr would like to know, however, what type of book this is going to be, as she feels she would not like the photograph used for a purely commercial journal or catalogue.

The reproduction fee will be \$25.00.

Mrs. Dorr is also the author of a book called "Mother and Child" which was sponsored by the Dorr Foundation and I thought you might be interested in receiving a copy. The book has found wide distribution in foreign lands and the warm letters of appreciation we have received from recipients indicate the value of its message as a contribution toward international friendship and understanding.

Sincerely yours,
The Dorr Foundation

(Mrs.) Tine Everhard
