Thank you so much,
 Dear Mrs. Dorr,
 That is right we
 had it some day,
 And I might as well
 again in your (anything)
 personally. Affectionately

June 19.

29 GARDEN STREET - CAMBRIDGE - MASSACHUSETTS

My dear Mrs. Dorr,

I cannot
 wait for the publication
 date of your beautiful
 book "Mother and Child"
 I think. Perhaps it
 reached me too soon.

But the longer I possess
your treasure the more
I enjoy it! It is really,
really lovely.

Indeed I remember
with gratitude, and so
does Paul, our "Bright
Autumn" days at
Picketts. - What a
joy it was then to
see your beautiful
pictures! What a
far greater joy it is
now to see this book,
- to possess it!
