Mrs. Orland Russell Sweeney
538 Hayward Avenue
Ames, Iowa

Dear Mrs. Sweeney:

I have your letter of January 22 on the diary and am, indeed, sorry to hear that your husband has been ill.

I am sending two other things that may interest you. One is a report on a safety measure that we have been pushing and the other is a brochure of a book that my wife brought out last fall and which we think may eventually go abroad as representing America to better advantage than some other things.

Please give your husband my very best wishes.

Sincerely,

John V. N. Dorr
