New York, New York

Dear Dr. Stothers:

There were many pleasant people at Goldthwaite's the other night and a number wanted a copy of Mrs. Dorr's book "Mother and Child." I am not sure whether you did or not but am therefore enclosing a story about it in case you would like one.

150 copies have been sent recently to the United States Information Agency for distribution abroad.

It was a pleasure to meet you both.

Sincerely,

John V. N. Dorr
