Dear Mrs. Dorr:

In Bernardine Kielty's "Under Cover" column in our January 1955 JOURNAL, we would like to mention your book "Mother and Child". With this we would like to reproduce in approximately two inch width a photograph taken from the book (photostat of which is enclosed).

We have written HARPER & BROTHERS for permission to use this picture, but Mr. Best has referred us to you. May we please have the right to reproduce this photograph, and what credit line would you like us to use along with that of "Harper & Brothers"?

Also if these are family photographs we assume no releases would be necessary, but if not, may we have permission from the "mother" model and from the guardian of the child. Thank you very much for an early reply.

Sincerely yours,

(Mrs.) F. E. Steinmuller
