Dear Mrs. Dorr:

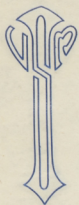

The copy of "Mother and Child" arrived this morning. I had been awaiting its arrival since reading the reprint from the Fairfield "County Fair" and the comments which you enclosed with your letter of May 20.

Mrs. Dorr's book is a truly beautiful one. You feel her sincerity and warmth in her style and presentation of "Mother and Child".

I am sure Mrs. Dorr must receive a great deal of personal satisfaction and "good feeling" in using her photographic skill to depict this, particularly when so many people all over the world will enjoy it. Her love in doing this type of work shows in the excellent results.

You and the Dorr Foundation can be justly proud. I would like to join her group of ardent admirers too as I am proud of her accomplishments -- and yours too.

It will be a pleasure for me to show the book to my friends (and club groups - business and social) as I know they will enjoy it, and wish to get copies. Am glad to know it

2.

can be obtained at all book stores as well as the Coors Foundation. (which does such outstanding work).

I will treasure this book, and thank you for your thoughtfulness in sending it to me.

Your visit to Oakland was a short one this time but perhaps you can spend a little more time on your next trip. I hope so as I enjoyed your visit too.

Again, many thanks for such a beautiful book "Mother and Child".

Sincerely,

Violet E. Souder
