Dear Miss Souder:

I promised you when I left Oakland the other day that I would give myself the pleasure of sending you a copy of "Mother and Child", my wife's book. I am not sure whether it is appropriate in giving a book to someone to tell them what other people have aaid about it but some of these stories are so charmingly written that I think you will enjoy them, and therefore I am enclosing them herewith, the book coming under separate cover.

I was only sorry that my visit to Oakland was so short because it was most enjoyable.

Sincerely,

John V. N. Dorr
