Dear Mr. Dow:

At the time your book arrived here -
I had taken a few days of my vacation. I telephoned
your office when I returned to explain my delay
in writing but you were not in New York!

The book is lovely and shall be treasured by me.
The fine sensitive photography is simply beautiful.
As one turns the pages - one realizes how much
thought, love and understanding has gone into the
composition. Only a fine artist can accomplish such
fine work. Mrs. Dow must be a wonderful person.

Please accept my sincere thanks for the book.

Sincerely,

→ Jesse Klein Sharp.
