Mrs. William G. Scharpf,
417 Catherine St.,
Medina, New York.

Dear Mrs. Scharpf:

Your mother, Mrs. Babington, whom I met at a South Dakota School of Mines Reunion the other night, showed me your picture and it looked so much like a granddaughter of mine that I am taking the liberty of sending you a small book produced by my wife, Nell Dorr, hoping that sometime you both can meet.

We live in Washington, Conn. and are here in New York part of the time.

With best wishes,

Sincerely yours,
