Dear Mr. Dorr,

Your charming letter and the copy of your wife's exquisite book arrived yesterday.

I can't possibly thank you enough for such a delightful gesture! As I leafed through the pages of this lovely volume, I was moved to tears - it is hauntingly beautiful and I shall always cherish my copy.

It would indeed be an honor to have the privilege of meeting both you and your wife and thanking you personally.

Sincerely

Billie L. Scharpf
