 Mrs. R. L. Sawyer  
Texaco Research Center  
Beacon, New York

My dear Mrs. Sawyer:

I want to express to you my great appreciation of the courtesy shown by yourself and husband to us during the recent meeting of the D. I. R.

It was indeed a notable occasion, made doubly so by the cordial and thoughtful kindness of the ladies of the Company.

It gives me great pleasure to send you under separate cover a copy of my wife's recent book "Mother and Child". As you will see it was sponsored by The Dorr Foundation and has been largely distributed all over the world as a message of friendship from America.

I hope if you ever consider coming in our direction at Washington, Connecticut, you will stop to see us. We would indeed be happy to have you break bread with us.

Sincerely,

John V. N. Dorr
