Mr. Edward Steichen, Director
Department of Photography
Museum of Modern Art
11 West 53rd Street
New York, New York

Dear Mr. Steichen:

Since the death of Mrs. Dorr's daughter we have tried to spare her the details of publication.

Her files of published criticisms were simply turned over to Harpers. I assume they used the customary procedures in selecting the material for publicity in the book cover.

Mrs. Dorr has given her book to The Dorr Foundation, of which I am Chairman.

Very sincerely yours,

John V. N. Dorr
Chairman
