Mrs. Lila Tyng  
480 Park Avenue  
New York, New York

My dear Mrs. Tyng:

I am not sure whether you remember me, a cousin of Anne Higginson Spicer, who met you through two very dear sisters, cousins of my daughter from Albany. I have been asked to serve as a director of the Alcoholism & Drug Addictions Foundation and have accepted.

I am enclosing a story about a book that my wife has published last fall which has been backed by a very small organization called The Dorr Foundation. The United States Information Agency recently asked us for 150 copies which have been given them as they felt it should have wide circulation abroad.

New York is a place where we all follow our own cowpaths but I should hope to see you some time.

Sincerely,

John V. N. Dorr
