Dear J. V. N.:

You will recall that when my wife and I were at a cocktail party at your office that Mrs. Walker purchased one of your wife's delightful books. She also purchased one and sent it to a friend who has written many stories about children.

The most gratifying letter was received by my wife from this friend. When we have a long-delayed lunch together, I will be more than pleased to let you read what was written.

Congratulations to Mrs. Dorr for her accomplishment, and I understand that she has a exhibit in New York at this moment, and I am told it is really worth while. Her photographs are just entrancing.

I was more than pleased to receive Dorr-Oliver Worldwide, January issue. This is the first Dorrco Doings which was ever forwarded to me. Naturally when Dan McAfee was your general sales manager, he and I discussed articles in Dorrco Doings because they were of great interest to both of us, but for many years I have never received a copy of your house organ.

I trust that you and Mrs. Dorr enjoyed your trip to Havana and down South. Perhaps before long you and Mrs. Dorr will be free to dine with my wife and me.

My kindest.

Sincerely,

"Brick"
