Dr. John V. N. Dorr

New York 16, N. Y.

Dear Dr. Dorr:

I regret that your letter of August second, together with a copy of your wife's book, "Mother and Child", and the brochure in regard to it, was not forwarded to me while I was staying in New Hampshire during the summer.

I wish to thank you for your very kind thought of me. I am deeply impressed with the mystic quality of the revelation of your wife's sensitive appreciation of the child and the mother. How the mechanism of a mere camera could be used to create such exquisite beauty is incredible. All the poetry of life is within the pages of this lovely book.

I consider it an honor to contribute something toward the splendid work of The Dorr Foundation.

Sincerely,
Ruth W. Meyer
