Dear Mr. Dorr: J. V. N. D.

It was thoughtful of you
to remember your promise
at Virginia and Goldthwaite's
party to send me notices
of your wife's book — and
now you have generously

Send me the book itself!

I am delighted to own
such a distinguished and
moving book. I am
especially glad to have it
at this time because the deeply
poetic quality of the photographic
studies confirms my
impression of your wife -
whom I so enjoyed
meeting that evening.

Sincerely
Mary Liddell Webb
