My dear Mrs. Wehle:

It was a great pleasure to meet you the other night. I intended to send you "Mother and Child" earlier but overlooked it. I feel sure you will be glad to have it.

I had the pleasure of seeing Bob a few days ago on his return from the South, looking very well.

I am enclosing herewith a story about my wife, together with a little circular regarding "Mother and Child." At the request of the United States Information Agency the Dorr Foundation has given them 150 copies for distribution abroad and a promise to send them considerably more if there proves to be the demand they expect.

Kindest regards.

Sincerely,

John V. N. Dorr
