Dear John:

We were certainly pleased to have you spend the day with us at Rolling Rock. I am only sorry that I did not have an opportunity to spend more time with you.

I was very pleased indeed to receive the book entitled "Mother and Child" and have studied it with a great deal of interest. Hazel likewise joins me in thanking you for this gift. We were certainly interested in the story about Mrs. Dorr's photographic achievements, which are outstanding and unusual.

With kind personal regards, I am

Sincerely yours,

E. R. Weidlein
