Mr. Frederick S. Whiteside
Scottsville, Virginia

Dear Caroline:

If I may so call you.

Nell and I were delighted to meet you both and are sending you under separate cover a book that Nell brought out several years ago, which tells its own story.

We have marked you down as a stopping place if we should go that way but, obviously, would always telephone before we made our plans.

My nephew and his wife, Russell and Ruth Dorr, are friends of your friends.

Sincerely,

J. V. N. Dorr
