Dear Mr. Dorr:

Thank you for your letter of January 6th and for your wife's book, "Mother and Child" which followed it.

No business of any kind could take precedence in my reply over comment on such a heart warming and satisfying an accomplishment as "Mother and Child." How beautiful it is in all senses of the word.

Mr. Rudolph will call on me Tuesday to discuss "Synthanite." I think we will use it in the Rutgers Gymnasium project.

Mrs. Williams and I go to New Milford only for occasional week ends during the winter although we keep the house heated. When the time is propitious it will be a great pleasure to get together.

Yours sincerely,

Edgar I. Williams
