S i r :

In the spirit of world understanding and friendship between the women of the U.S.A. and that of our country where I hail may I enlist myself to the movement you are championing at present. In this connection, may I therefore request that I be extended your gifts as books and others, given to women of the world like the book entitled "MOTHER AND CHILD" by Nell Dorr. I happened to know of this nice book in one of the libraries of this City. I believe and learned that this book was donated as gift to women to our country from that foundation.

May I hope to receive your gifts and be one of those who are in the crusade for world understanding and friendship.

Very respectfully,

R. Yasay
