Dear Mr. Dorr:

Your letter of March 7 and Mrs. Dorr's book "Mother and Child" sent to the Philippines have just been forwarded to me.

It was very kind of you to think of sending me a copy of Mrs. Dorr's book with her personal inscription to me. The book is a beautiful and sensitive portrayal of "Mother and Child" which I shall treasure. Will you please convey to her my appreciation.

Our work in the Philippines is making substantial progress, and it is the hope of the Government to make that nation a "Demonstration Nation" in Rural Reconstruction for Southeast Asia.

I would also like to have a chance to see you again and the pleasure of meeting Mrs. Dorr, but this does not seem likely in the near future as I shall be back in the Philippines soon. Our program out there permits me to return to New York only for short visits.

With best wishes,

Sincerely yours,

Y. C. James Yen
President
