Dear Mrs. Don -

Your excellent inspiring book "Mother and Child" arrived and I have no words with which to express my deep appreciation for this most unusual gift. Your book should be in the hands of every pair of parents who plan for and want their babies - (If only this could be true of all babies)

How wonderful that you combined your great talent with your sensitive appreciation of Motherhood. It is truly a most unusual book.

I am sorry that your husband was ill but it surely was of great benefit to me. Thank you for a charming book and your delightful autograph. The book will afford me many many hours of

of pleasant thro'ts - I hope it is widely
used - It will be a privilege for us to
recommend it.

Thank you again from my heart.

Sincerely

Louise Gabrielle
