

Johnell

We two are one  
So must my heart accept  
The challenge of your mind  
Nor find a suffocation  
But Oh, dear mind, be kind -  
From your cool height  
A pool is only deep and dark  
And small I know - yet  
It is not so.  
Lean down your head, kind Sir  
And find  
How Love can amplify the mind.
