Mr E. E. Smith,
Bonham,
Texas.

Dear Sir:

Your letter of Jan. 31, by fortune happened to reach me as there has been no Hotel Sanz for five years. I left a year or so before it was closed. The building was sold to the government and is being used for office purposes. Mr Parsons who you mention left here more or less six years ago. He located in Tampico but I was told a few months ago that he had left there and was somewhere in Texas. Am sorry that it is therefore impossible to give you the information desired.

Very respectfully,

W. M. Elliott
