Dear Sir:

In the convention number of The Cattleman for 1926, as I recall, there were a great many of your pictures reproduced. Among them I think there were two or three of scenes in Old Tascosa. I am compiling a history of the XIT Ranch which will be issued this summer. I would like to have one or two pictures of Tascosa to include in this. Will you please let me know if you can furnish me these pictures or any others pertaining to this ranch? Besides paying you for them, I will of course be only too glad to accredit the photographs to you.

Trusting to hear from you, I am

Sincerely yours,

J. Evetts Haley.

J. Evetts Haley.
