Mr. Erwin E. Smith
Bonham, Texas

My dear Erwin:

The news that you have received from Lynford Wilson is certainly disconcerting, but I have the utmost confidence in your working this out within the briefest possible time, to the end that you may successfully furnish us the prints we desire in the very best finish..

Please advise me as to the result of your trip to Dallas and Fort Worth to see the workmen there. I hope that it is possible for you to solve this problem without having to purchase the enlarging outfit, but, in the long run, if you wish to give your time to the making of prints that are bound to be ordered through the years, it would probably pay you to do so.

If there is anything I can do to speed this work, please advise me.

With kind regards, I am

Your friend

J. Evetts Haley.
