Mr. Erwin E. Smith,

Dear Sir:-

I am forwarding this letter to you through the courtesy of The Cattleman.

My attention has been attracted to a photograph of a chuck wagon outfit, copyrighted by you and published in a recent issue of The Cattleman.

Will you kindly send me at your immediate convenience a proof of this and any other photographs of life on the range, which you may have in your possession and which you are willing to dispose of to be used in connection with publicity needs of The Stampede? I am particularly anxious for "Action" pictures, such as bucking horses, roping, etc., but any pictures of unusual or extraordinary merit will be of use.

Please communicate the price per single picture and in numbers.

Thanking you in advance.

Very truly yours,

WCT/MCB
