FORT WORTH, TEXAS

July 29th, 1920.

Mr. Edwin E. Smith,
Bonham, Texas.

Dear Mr. Smith:

In the collection of pictures which ^{you had} ~~was~~ in the office during the Stock Show, I recall one showing two cowboys reading a paper which they had just taken from a mail box ^{by} the side of the road. I would like very much to use this picture on the cover of the next issue of the CATTLEMAN and will appreciate if if you will forward me a print of same by early mail.

Have you received any worth while pictures in response to the notice which we inserted in the April and May issues of the CATTLEMAN? In offering the cash prizes no definite date was stated as to when the contest would close. If you desire, we will reprint the notice in the next issue and set a definite date for the closing of the contest.

You will, perhaps, recall a picture which I used on the cover of the CATTLEMAN about three years ago of a bunch of cattle crossing the river from Mexico to Texas. This was the best picture of its kind that I have ever seen.

Mr. Jennings who furnished me with this picture was in the office recently and gave me the name of a gentleman at Eagle Pass, Texas, who probably still has the film. I intended to write to him, but misplaced the memorandum. I am writing Mr. Jennings to-day and hope to find this picture for you.

Yours very truly,

A. B. Williams
Asst. Secretary.
