

Thursday morning.

VAN DYCK STUDIOS
939 EIGHTH AVENUE
NEW YORK

Dear Timmy Sympes,

I am a forgetful person, so
let me send this little check for the
two tickets before I have a chance
to join a disgraceful pile of unpaid
light-phones-milk-and-dear-knows
what-else.

If I am out of town Thursday
on some perhaiat work I shall probably
come for my cup of tea straight from
the train, and trust that the
elevator man won't put me out.

Cordially yours,
Hilda Belcher.
