Thursday

Dear Miss Sippell

Thank you so much for those beautiful pictures my aunt was so happy to possess! They are full of beauty. It was so nice of you!

Tomorrow I hope to visit the studio. I've been entirely neglecting everything else the five days my Australian cousins have been here. Today they went carrying off a little of my heart, they are so nice.

I delight in your having the studio. I wish you every pleasure + profit! S.N. Clephane
