

20 OXFORD STREET

CAMBRIDGE, MASS.

Dear Miss Sapprell Friday

It was a great occasion
when we saw those really good
photographs of Mr Crothers
Will you kindly let your secretary
drop me a line ask the price

540

and the possibility of getting any
printed before Christmas?

The dear Doves insist on giving
me a present of some sort - we would
like some more if we can get them
commercially to speak.

We think it was quite wonderful
that you should have been able on
that dark day to get a really good
picture. We are so grateful Louise Crothers
