

MRS. FRANK C. DOAN  
10 MYRTLE STREET  
WINCHESTER, MASSACHUSETTS

My dear Miss Lippell:-

We are all  
delighted with the result of  
your efforts. In fact we are  
inclined to class you with  
the geniuses of this world.

Mrs. Crothers is very much  
pleased with the proofs.

We would like for of the one  
I am marking and one of  
the proof in which Mrs.

Crothers wrote "Please ~~see~~ this  
plate." This is just a little  
surprise for her because it  
was difficult for her to let  
that one go although of  
all she preferred the one from  
which we are having this  
finished.

We are very pleasantly pleased  
with your success.

Very cordially yours  
Joseph H. Doane
